

Hacienda Stories

SPRING / SUMMER 26

TRAVELLING WITH

Bypias

A woman with long brown hair, wearing a white lace cardigan over a grey top, a white turban with a flower, and multiple pearl necklaces and bracelets, is leaning her arm on a light-colored stone wall. She is looking down with a serene expression. The background is a bright, sunny outdoor setting with blurred greenery and a white lattice fence.

*Linen against skin,
bare feet on stone.
She gathers stories, not things.
And wears them like gold.*

*She came here to feel,
not to perform.
To live slowly,
and bloom fully.*

*She doesn't dress to impress.
She dresses to feel.
Soft layers. Sun-warmed skin.
This is her language of grace.*

*She is made of soft rebellion,
of salt and stillness,
of sunlit resistance.*
